Pre-meeting stuff….

Finish D1 (ALL DONE YAY)

Meeting Agenda:
-   Project plan (touch base on overall plan)
-   Demo project (model/figma) to TA
-   Check questions with TA

Notes:
-   Doing videos (sampling, trying to get more visibility)
-   Prompt returns, splitting groups (level of disability, possibly having a profile for users, etc)
-   Incorporate audio (always running)?

Milestones?
-   Figure out ourselves
-   Should have it pretty hashed out by March 11
-   Leaves two weeks for final touches
